

# ALJOHN CANTONG BAGUIS

As a fresh graduate in Computer Science major in Social Computing, I am eager to begin my professional career where I can apply the knowledge and skills I gained from my academic journey into real-world settings. I aim to contribute meaningfully to a dynamic team, grow within a professional environment, and gain valuable hands-on experience in the corporate world.

## AREA OF EXPERTISE

Social Media Management	Canva Graphic Editing	HTML/CSS
Basic Computer Knowledge	UI/UX Designing	Microsoft Office

## PROJECTS

- **Cease the Ships | UI/UX Designer | Social Media Manager.** It is a naval-themed board game app developed as a thesis project.
- **Paws Army Website | UX/UX Designer, Researcher and Documentation.** This is a website for a veterinary clinic, created as a project for Introduction to Computing and Digital Media 1.
- **2D Interactable Environment | UI/UX Designer.** It is a simple collaborative Christmas project developed together with my college friends.
- **Lost World | UI/UX Designer.** It is a web application created as a project for Elective 3 (Game Development 3) subject.
